

**Chemicals & Oils**

## Maintenance:

### Moss & Mould

**Size Available:** 5L, 20L, 200L, 1000L

**Uses:** Use on pavers, driveways, patios, and weatherboards to eliminate moss and mould. When Moss & Mould is applied, it immediately attacks the unsightly moss, mould and grime that can build up in your home. Then mother nature takes over and the weathering process gently takes the decomposing material away. Without scouring the surface. The residual product left will continue to kill for up to six months.
