### FLEETMASTER SKID HIGH PRESSURE CLEANER

With the custom options above and the fleet master we are able to cover a wide range of customized electric solutions, these are suitable for when you need specific functions from your unit or it needs to be fit for a certain purpose.

This could be a wash bay scenario, car wash or even a large truck wash, we can change the features, size of the equipment and how it is all set-up to make it fit for purpose. Please contact us if you wish to design a solution specific to your requirements.

### Accessories:

Custom length hoses

Various lance options

Chemical and Foam systems

Hose reels (multiple if needed)

Overhead booms (180° & 360°)

Drop points (for wash bay)

Custom aluminium frame (single or double unit)

Custom plumbing and fitment

Prices include GST. Prices include plug/tag & test. Factory tested before delivery, freight not included.
